Subsidised Activity Days for Children and Young People

This Autumn we will be offering subsidised activity days for groups of young people which are funded through the West Cornwall Youth Trust. The trust specifically aim to help young people between the ages of 10 and 21, who may be:

- Underprivileged
- Seriously financially constrained
- Socially disadvantaged
- Disabled

These activity sessions aim to support young people to access these adventurous outdoor activities in a fun, supportive environment. Through taking part in the sessions young people will have the opportunity to build their confidence, socialise with others and build their resilience.

Activity days are offered at a cost of £5 per person. The offer includes a day of activities including Adventure Quarry, Canoeing and a third option of your choice.

Offer available to group sizes of 7 or above and subject to availability. Please quote WCYT when booking.

BF activities include:

- quarry-steering*
- problem solving
- canoeing & kayaking
- climbing & abseiling
- zip wire
- swimming*
- raft building*
- archery
- low ropes
- team building
- orienteering
