KEEPING SAFE

*Your Adventure, Our Passion. Your
Journey of Change.*

**We want to be able to continue to
support you at this very challenging
time.**

We know that this is a difficult time for everyone and you may feel worried about yourself, your family and your friends.

We want to be here for you, to help you to talk about how you feel and to listen to you without judgement

We want to make sure everyone understands why we need to make some changes and your instructor will explain them in a way which you will understand.

Any questions? Call 01326 340912 or email enquiries@bfadventure.org

KEEPING SAFE

Your Adventure, Our Passion. Your Journey of Change.

To keep you, your family and our staff team safe we have introduced some changes to our normal way of working.

We are asking everyone to wash their hands when they arrive and throughout the day.

We are checking everyone's temperature as they arrive on site, all staff, children and young people.

Everyone has access to hand sanitiser, instructors carry it with them and will use it regularly

We will help everyone to remember that we need to keep 2m apart from each other; we will do this gently and help everyone to understand why

Any questions? Call 01326 340912 or email enquiries@bfadventure.org

Changes you will see

We have some handmade BF face masks. If necessary these will be worn by staff and young people at certain times when close face to face contact is unavoidable – to keep you safe

We won't be able to offer some activities, including the Zip-Wire and Abseiling. These activities can only be done safely with close contact and we know we need to avoid this.

There are lots of other things we can do though!
