ACCESS TO ADVENTURE

Your Adventure, Our Passion. Your Journey of Change.

1:1 or Group Activity Sessions

Half or full day sessions for those with higher support needs. These sessions are tailored to the pace, content and delivery style to meet the needs of learners. We have a variety of activities to offer and additional inclusions can be arranged to support individuals if required.

Family Activity Days

An opportunity for families to take part in activities and have fun learning to work together. Family days reinforce positive communication skills and celebrate a 'can do' attitude for all!

"I came home with the biggest smile and didn't stop talking about her day out for three days... I can't thank you enough. You made her believe in herself, not many people take the time to do that."

Holiday Activity Days (HAD - 6-13 Years)

A fast paced, fun packed day taking part in set activities within a bigger mainstream group. We are able to provide an inclusions to support your child.

ZIPWIRE

ACCESSIBLE ABSEIL

We strive to co-produce individual outcomes for each of our learners. We focus on aspects such as: confidence, social skills, resilience and problem solving. We can provide reports measuring distance travelled and work closely with other professionals to ensure that the learner is at the centre of everything we do.
